# **TEAM EFFORT**

Prison Ministry is a team effort and success comes when everyone is contributing their part. Each team member has an important role in working toward a common solution or goal. In prison ministry some are sent and some are senders. There are those who go to the prison and conduct chapel services and seminars, some package and ship Bible Study Courses, some grade Bible Studies, others help fund the ministry by giving donations of time and money.

The Auction is a team effort and the committees start meeting in September to plan for this event. A committee works together as a team, food teams prepare and serve food, churches and youth groups take care of various booths working together to compliment the activities. Then there are item donors, contact persons to request those items, bid spotters, auctioneers, and auction workers to help with the tasks at hand. Quilters gather all across the country and stitch by stitch complete their beautiful handiwork. Special thanks to all who contribute to the Gospel Echoes Auction. The Auction provides resources for the Bible Study Courses and other prison ministry activities. We reached 200,000 inmates last summer who have enrolled in the Bible Study Course! We are so grateful when we think of all of these men and women and the families they represent and how their lives have been touched with the Gospel Message.

Prisons are short on staff, limiting programs and other activities. Isolation has increased with limited interaction inside prison. In the past year there were very few family visits, and education classes and chapel services were limited due to Covid restrictions. As a result, there have been more assaults on officers and more violence.

These conditions have placed a greater burden on prison chaplains and how they do ministry inside the prison. One chaplain said it has been difficult to make contact with the inmates and to distribute literature to various parts of the prison. "I came to the point where if I could somehow just get it under the door, I knew God would take care of the rest." In a lot of ways that's all we can do. We repeatedly hear from the inmates and chaplains

how the smallest gifts are making a big impact. In the darkness the light shines its brightest. You are making an impact at a dark time in our prisons with the light of the Gospel.

Just a special thanks to all of you and especially Sherrill, her name is on my Christmas card from you, for all you have done to bring these spiritually broken fellers around some inner peace and a smile to their faces. We really appreciate you. Sincerely, W.A. Inmate

WE WERE VISITED by your ministry teams. They told us about the Bible Study Correspondence. It was a very touching and much needed presentation. I am very grateful for it. I have been reading the bible off and on. But I need more direction as far as study in order to learn more. I really would appreciate anything you could provide. Thank you very much. W.J. Inmate.

#### A LETTER OF THANKS

**GOD BLESS YOU**, I just watched your special here at ISP and it is just what I needed, I have seen you every year for years! It really lifted me up and thank you for all the prayers and I know a lot of us here pray for you as well. Also, the thought of the Goodie Bag. I know the love you have for us here and the love of God. God Bless. We do miss talking and worship with all of you. God will always shine. D.S. Inmate

#### PRAYER REQUEST

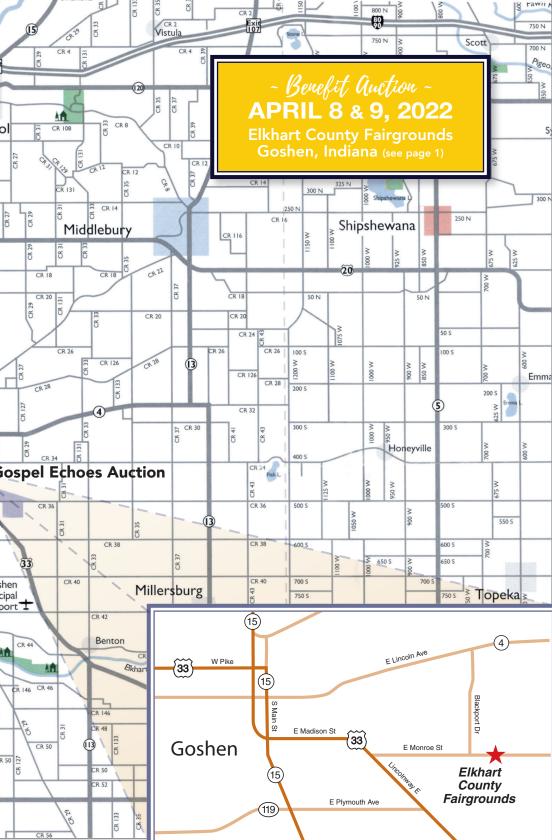

Since we are in lockdown status because of COVID-19, we aren't able to have chapel/church services here; so we try to have weekly Bible Study groups, but these correspondence studies are paramount in keeping us "on the vine."

Please also pray for us believers incarcerated. I know personally that we are suffering much persecution, because we are easy targets of anger, hate, and bias. In addition, since we do not fight back, we walk around with a bullseye on our back.

R.D. John H. Lilly Correctional, Boley, OK

#### APRIL 8 & 9

#### **TESTIMONY OF A CHANGED LIFE**

My name is Tom and I became a believer at the age of 27 while incarcerated for the first time. Another inmate suggested your correspondence courses which fueled my hunger for God and his word. Receiving the Bible after was a true blessing, and I thank you for the work you do for Christ.

#### **INMATE AND GRADER RESPONSES**

I used to think I'd have gotten all the garbage out of my system by now and would be back in church fellowship by now. Well quite the opposite. And I also used to think I could skip some of the consequences for some of my choices, thought maybe, just maybe, I'd sneak a few things by. NO!!! I've got lots of head knowledge but, I feel it hasn't reached my heart. I have begun to do the course; I have the first two books. And I've read through your little address book. It's amazing – the little notes you have in those. Thank you very much for all you do for prisoners.

M.G. Missouri

I just turned 95 years old on November 8. I have some physical ailments, but I promised the Lord that I will grade lessons, as long as He give me strength. I love to do this work. We have been able to help so many

guys. One guy began attending our church (out of prison) and was baptized and accepted the Lord, and, a few months later, he was found dead in bed. Praise the Lord, he is with Jesus because of Gospel Echoes. Love you all.

#### **2021 COOKIE PROJECT RESPONSES**

Thank you for all you do. Thank you for being a vessel of God. It is appreciated by me and many others. The cookies, the Bible studies, the music, your prayers, and so much more. Until the day you return to visiting us on the inside. I keep you in my prayers. P.K. Indiana

I just want to say hello and thank your whole team for the excellent time that I had with our correspondences. Thank you Rosie (his Bible study grader) for making me grow. Your responses often had me shed tears. Your positivity and compassion was exactly what I needed. You are always in my prayers. Your team watered the seed that was planted so many decades ago. Two things God has given me that I never had before; future and a hope. I hope that Gospel Echoes takes joy in helping me change. J.G. California

"Thank you" seems to fall so woefully short of the gratitude I on behalf of myself, our residents and staff wish to express to you and your team for the incredible display of love, and generous bestowment of the "World's Greatest" cookies given to each inmate and staff member at O.S.P. We are six days removed and the "aroma of Christ," is still resonating through every housing unit, and administrative wing because of your selfless and giving spirit. Truly simple, humble, loving acts done in God's Love go a long, long, way! It would be an incredible blessing to you all again next year! Chaplain T.F. Ohio

#### INMATE LITERATURE REQUEST

I have been working with a couple brothers and would like to continue my path as a born-again Christian. I would like very much so to pass on my past experiences in a world of drugs, alcohol and other types of addictions. I need further help with Bible correspondence in English, New Testament, and Scripture address booklet please. Any books from people who have transformed their lives would be greatly appreciated.

#### IMPACT OF BIBLE STUDIES

I am one of the Ministry Mentors at Southern New Mexico Correctional Facility and I am a firsthand witness of the impact that the Gospel Echoes Bible Studies are having on the prisoners, including me. Those Bible Studies are really touching our hearts and our families are gaining the benefit that comes with our new awareness. Besides that, the Bible Studies are one way we are able to minister to the prisoners who don't usually attend church

or religious services. Thanks to your generosity, hundreds of prisoners are receiving your Bible Studies and in their behalf I am thanking you for such a blessed donation from your organization. Please deliver this gratitude message to everyone who makes this possible. May the Lord be as generous to you as you are to all the prisoners who you bless with the Bible Studies.

#### PRAYER REQUEST

I have tried to read the Bible but I can't understand it and comply it to my life. Maybe you can help me with this problem. I have problems with my mental health. I have been diagnosed with PTSD, Bipolar ADHD, but I think I only have a behavioral problem. I get depression problems. I believe in the Heavenly Father and Jesus. I don't know how to commit to Christianity and make Jesus Christ my Lord and savior and keep my commitment. To be honest with you, I am currently a Muslim that wants to become a Christian but don't know how to do it. I don't talk to my father. I forgive him for what he has done to me

mentally, physically, emotionally, and sexually. I still have grudges on some people, maybe that's what is holding me back from making a commitment and to keep the commitment. I do a lot of thinking about becoming a Christian again, but I don't know how to start the process again. When I was a Christian I was kind and lovable and trustworthy, honest, and supportive. I try so hard to be approved and fit in with others, but I think that is my problem. I got to get back on the straight path before I can't turn back from the destruction path.
