### STEWARDING GOD'S GIFTS

am grateful for the opportunity and expectation that my parents had for our family. We learned to do our part and everyone was expected to participate and to get the job done. There was the blackboard on Saturday morning. Each name headed their section with a list of responsibilities. I don't remember any rewards for completing the task, it was just part of who you were and what was expected of you. We learned to share responsibility and were encouraged to steward our time.

Everyone is super busy these days, yet somehow the Auction Committee finds time to meet, plan, make contacts, and actually serve one another in preparation for the Gospel Echoes Benefit Auction. Today we are seeing the results of many volunteers in action, stewarding their time, money and resources. Businesses throughout the community donate items and provide services, stewarding their resources.

All this is for the cause of Christ and to share His story with those in prison. Often the question is asked, "Where do you get your support?" Our response is that friends of the Ministry share because they care! Your attendance and support are a powerful testimony to prison inmates. It brings hope just knowing someone cares.

Recently an inmate wrote, "...please tell everyone how much your ministry means to us here in prison."

"As each one has received a gift, minister it to one another, as good stewards of the

manifold grace of God." I Peter 4:10 NKJV

Thanks for stewarding your time and resources.

Glendon and Lorna Bender
Executive Director

#### **ADDRESS BOOKS**

I am the Chaplain for Sterling Correctional Facility in Sterling Colorado, a facility with approximately 2,500+ residents. I have a fairly large inmate population that are practicing Christians, and they are really excited about Gospel Echoes' yearly Address Books. Your address books are an absolutely vital tool highly demanded and used by our "whole" population. Thank you for this such a meaningful resource for the men here that helps to keep the guys engaged with Scripture readings and spiritual growth while incarcerated. Would it be possible that your ministry could provide us with 750 of your current address books for our facility? Thank you for your prayers and consideration. God Bless and keep you!

#### **BIBLE STUDY COURSE**

Hello, my name is S.F. This is not my first time getting deported, but it is my first time fighting my case. Do not get sent back to Mexico because this time if I get sent back, which I doubt it because I have put all my faith in our Lord and Jesus Christ, it would be my death sentence. Anyways, the reason of me writing you guys is because since I got here I just have been reading the Bible, and one day a guard said I notice you read the Bible every day. Try to read this. I think you would like it, and he gave me "Growing the Christian Life" course 2. This was in one tank. By the way, I'm in solitary confinement. I read it. I liked it a lot. Then I got moved to population. I took the book with me. Then I asked to put me back to solitary confinement for protection. Then they took me to a different tank, and a few days later I was looking outside my cell and noticed that on the little library cart by the guard's desk they had the rest of the book course 1,3,4. So I asked the guard to hand them to me, and I decided to take the course test. I started to write on the books plus I found out that the chaplain does not have any more so this 4 books might be the only ones and now I'm on the 4th course. I wanted to ask you if you can please

send me the other courses 5-8. I'm loving these books. It teaches so much.

I don't have anyone to grade them. I'm looking forward for the certificate. By the way, thank God tomorrow I will be able to get baptized. Well thank ya'll again for your time, and I hope that ya'll can send me the rest of the courses.

God bless ya'll!! S.F.

#### **COOKIE PROJECT RESPONSES**

**I'M WRITING TO THANK YOU** for your generous gift of love this holiday season. It is random acts of kindness, such as the cards we received, that restores my faith in humanity. There are 6 of us women in this room and we are weathering a locked down quarantine for the Christmas and New Year Holidays. This was unexpected and forced so you can imagine how it affected some of us ladies at Coffee Creek,

When we received your cards, I was instantly drawn to tears, moved by the kindness in the words and thought behind showing a complete stranger – someone rejected from society and put in prison- love. I heard another woman underneath me (we have bunkbeds, lol!) say, "This is the only Christmas card I've gotten." And so I was prompted to observe each woman around me, all emotional and loving reading the cards and decided we should all read them to each other aloud and I'll tell you! The spirit of love was so strong and moved all of us tears and I just had to reach out and let you know how much that meant to women like us, feeling like the whole world forgot us, that was a miracle-receiving those cards. Thank you from the bottom of my heart.

ON BEHALF OF THE EOCI STAFF AND AICS, we want to thank you for taking the time and energy to make the Christmas season a little brighter for us in 2021! It would have been nice if the team could have come in and sang Christmas carols and interact with the AICs, but because of COVID protocols that wasn't possible this year, we are believing that next year this will be a possibility....included are some thank you cards from AICs, they truly miss you all coming in, but are very grateful for the cookies, cards, and address books, it was definitely a highlight of the year and they were looking forward to receiving your gifts!

Thank you again for all you do for AICs around the state of Oregon!

#### **BIBLE STUDIES REQUEST**

Hello! Greetings in the name of Jesus Christ our Lord and Savior. I'm contacting you for help. My story is that I had it all; a great life, a beautiful wife, healthy kids, great job, nice house and a sweet dog. The one thing I didn't have was God. Without God I couldn't withstand the devil, drugs, anger, gambling and sexual immorality [all] led to my marriage falling apart, and I lost my wife, kids, house, job, and freedom. Luckily the Lord was waiting for me to cry out to Him, and He forgave me and changed my life. My ex-wife took notice of God's change in my life that she agreed to remarry me. Praise God! We are currently writing a book together called "Divorce Doesn't Have to be Final."

I'm also halfway finished with a book I'm writing called, "I Work for God Now – It's a Family Business." I send my kids bible lessons and pray with them over the phone all the time. I ask that you pray for my family and I. I need help finding who offers a theology degree to prisoners. I need study Bibles, Bible study lessons, Christian books, correspondence courses here at the prison. I'm trying to serve God best I can. I currently lead 3 Bible studies daily here in prison and seek help getting ordained as a pastor. Any help in any of these areas would be a blessing from God!

### **CHAPLAIN'S REQUEST**

I WOULD LIKE TO THANK YOU for all of your continued and ongoing support of our unit. Our facility takes in all new commitments to the Arkansas Department of Corrections. During their stay here at ORCU the volunteer Chaplaincy team goes through the barracks visiting with the inmates, and our team delivers Bibles, Bibles studies, book marks, address books, date books, devotionals and inspirational books spreading the word of God. Your Address books, Bible Studies & book marks are

very popular within our population at this facility and our intake ministry program. We are reaching out to you for an order form for the 2023 Address Books and any other order forms you may have.

Again, I would like to thank you for the incredible work you do and your support to spread the word of God.
