THE CHANGING POWER *of the* GOSPEL

I saw men dressed in prison uniforms, some with faces scarred from a life of violence, others with their bodies marked from a (former) life of crime, but there was something different about these brothers as we interacted with them...

We joined Mercy Road Team for a few days at the Mississippi State Prison in Parchman. We held five services and another three were cancelled because of heavy fog.

We were greeted at the front gate by Director of Programs, Reginald Watts, and Director of Chaplains, Arthur Rhodes, both former inmates who were sentenced in Louisiana to 40 years plus life with no possibility of parole! They now lead this special program for ministry at Parchman which began in Louisiana under the direction of Warden Burl Cain at Angola State Prison, once considered America's bloodiest prison. Warden Cain eventually became the Commissioner for the Department of Corrections in Mississippi. Chaplain Watts and Chaplain Rhodes went through the ministry program as inmates in Louisiana, were miraculously released from prison and helped bring the Angola program to Parchman where they are making a profound impact on these incarcerated men. Inmates here have opportunity to attend Bible school, seminary and special training as servant leaders to become Service Ministers. They become pastors of inmate-led churches and serve as field ministers who have been assigned to prison units providing spiritual leadership to other inmates. These ministers do not hold formal authority over other inmates but provide support in areas like crisis intervention and religious education. Ministries include counseling, hospice care, enrolling inmates in special programs, job skills training and assistance to the chaplains. One of these hospice ministers shared, "God has given me love for these people. I have had the privilege of ministering with 11 men as they have taken their last breath and gone to be with the Lord." We had

opportunity to share with a group of these service ministers. Worshipping together, sharing and hearing testimonies of changed lives was a blessing I'll never forget. These Chaplains and Service Ministers have a very unique and effective way of interacting with the prison population.

There were 180 inmates gathered in the chapel as we shared the evening service. As we entered the chapel there was a spirit of joy and fellowship. Good manners, smiles and the ability to communicate marked these men. These days spent here in Mississippi again reminded us of the transforming power of God and how He loves us with His great mercy. The hand of God is in this place and on these men. He is moving in a mighty way as a testament to His Love for all mankind.

Inmates enrolled in the Gospel Echoes Bible Study Courses and we have sent in more supplies to stock the prison with materials. This auction supports prison ministry in providing Bible Studies, Discipleship Materials, Ministry Teams and special events.

Glendon Bender

PRAYER REQUEST

I need help with this bondage that I have been in by Satan for so long. Would someone pray that God free me from the hands of the devil? Also, can you guys pray that one day I make something of my life? Pray God let me use the gift that he gave me to make great music, to help Him bring more people to Christ. I can't wait until the day I can finally be free from the law of sin and death.

INMATE PRAYER REQUEST

Pray for me and my family. Pray for my victim. Pray for the family of my victim. Jesus Christ answers prayers. He is the unfailing Father. He is love. I was homeless on the streets. Jesus heard my cry. He is justice. I was lost, hurt, and depressed. Drugs and alcohol almost killed me. I called on the name of Jesus Christ, and He saved my life. My mother died, my father died, my grandmother died. Jesus took care of me. Jesus Christ held me in my trials.

PRAYER REQUEST

I grew up in a Christian home, but I was always reluctant to follow the path the Lord has set for me. I have been in and out of jail since I was 18. I am 36 now, and I can feel God guiding me in His direction. I want to be close to the Lord and have a real relationship with our God. I am that black sheep that keeps straying off the path, and He has always been there in dark times or whenever I need Him, but I want to learn how to talk to Him all the time and be in His presence.
– Paul, CA

PRAYER REQUEST

I'm a new Christian. I left Islam in 2020, married to a Christian. I used to be so confused and so lost, without hope, but God gave me hope. He strengthened me, trained my heart, and changed me for good, and transformed me to a brand new person. I need prayers, and I need some studies to help me grow and learn.

PRAYER REQUEST

I would greatly appreciate it if you could pray for my family and I through this very hard time in our lives. We do our best to keep our focus on God, but it has been a very hard daily battle. Our church family has been a great gift to my wife and our children in my absence, with my being in California while they are all the way in Colorado. I often feel alone in a foreign country. Keeping my mind constantly on God's Word, along with the many prayers, is all that gets me through the days.

THANK YOU FOR ADDRESS BOOKS

Greetings from the Martin Correctional Institution's Chapel. We are in receipt of your donation of address books and Bible studies. Thank you for your continued support of the religious journeys of the men in our community. Please know that, as you have provided us with the seeds, that we are faithfully sowing those seeds into the lives of these men. The results are the feeding of the educational, and spiritual growth of these individuals. We look forward to continuing this partnership to the glory of God the Father. God bless and keep your ministry prosperous.

Thank you for your 25-set donation of Gospel Echoes Bible Correspondence Program to be used for inmates at SCI Mahanoy. Chaplain Dobbs informed me the program has had great success and more inmates want to enroll.

This donation helped to meet that inmate need, and I appreciate your generosity and your time. Your interest in those incarcerated means so much for many of our inmates to know that someone on the outside is thinking of them and willing to assist them with their spiritual needs. Your contribution is greatly appreciated.

I was lost in the world, a product of my environment, a drug user, convict, and I was so very lost and sad, losing my brother to a drug overdose. THANK YOU

I am currently incarcerated in Folsom State Prison. I am doing three years out a six-year term. I am currently on the road to change my life and stay on the right path. I am trying to live serving the Lord. I am a recovering addict, and I have also left the gang life behind me, a very big step. But I did it to follow Jesus and change my life around. I am very interested in taking the Bible study correspondence courses.

THANK YOU | PRAYER REQUEST

Here is what God did for me...in 2017, I was in prison. I did not know about the Bible. I was just finishing up the Bible study. I was missing my son's graduation; however, I was able to have the Bible delivered to him as a graduation present the week of his graduation!!!! We spent last week together and were just talking about it. He said of all the presents he got, that was the best most priceless gift he could have ever received. That wasn't odd; that was definitely God working there!

INMATE PRAYER REQUEST

Last week I attended chapel, and when the pastor asked if anyone would like to take the step towards knowing Christ, I immediately hit my knees. I asked Heavenly Father to come into my heart, forgive my sins, and teach me to be more like Him. Please pray that I can stay sober. I am also currently studying to get my alcohol and drug counselor certification.

PRAYER REQUEST

I am currently a prisoner, and my earliest release date is 2032, unless I win an appeal. I do not know how long I will be here, but I do know God has a purpose for this time. Even though I am in prison, I want to live my life for the Lord... Just so you know, I am not a violent offender; however, I am a long time drug addict. I am also a mother, a daughter, a sister, and a granddaughter. People love and care about me. I need God to remove the desire to use drugs from me! I know I have a calling and a purpose. The law shows us our problem, but Jesus solves our problem!
